# The Liberal Democrat team for Herefordshire Council 2011

## Six to Fix: *Our manifesto for Herefordshire*

### Stop the Council wasting your money

At a time when people are having to tighten their belts, Herefordshire Council must stop wasting taxpayers' money.

**FIX 1**

### Housing for local need not developer profit

We need to address the housing shortage in Herefordshire but this must be done in line with the needs of local communities and not to please the developers.

**FIX 2**

### Stop closing our community's schools

This is not just an issue of education, it is about protecting our rural way of life. We will stop the current programme of school closures and look at how to make all schools financially viable.

**FIX 3**

### Fix our roads and transport infrastructure

We will fight for a bypass for Hereford. We will invest in resurfacing our roads and filling in potholes as well as looking at how to maintain our rural bus service and expand our train service.

**FIX 4**

### Strengthen the county's economy

The Council must do all it can to support local businesses and to help nurture prosperity within the county. Part of this is agreeing an acceptable growth plan for Hereford City.

**FIX 5**

### Bring policing back to the local community

Local people need to have more face to face contact with their police officers. Police need to be freed of their paperwork to spend more time on the beat.
